Description

If you've lived in Kingsport for any length of time, you've heard of a Livesay home. This one owner brick ranch has all the signature features - impeccable brick work, prominent fireplaces, tons of closet space, real hardwood floors, and all the other niceties that made them stand out from the rest. This three bedroom, two bath ranch offers eat-in kitchen with newer stainless appliances, spacious living room with fireplace, three bedrooms, two full baths, and a fantastic florida room with beautiful views. There's a den with a fireplace in the basement, a big laundry room, and double driveunder garage. Architectural shingle roof, two year old American Standard heatump, most all windows have been replaced, and vinyl railing out back. Situated on a great lot, with a big patio for the crisp fall evenings. Make yourself the second owner!
