Description

Back on the market at no fault of the seller! Spacious Home with Flexible Living Spaces and Multi-Generational Potential in Greeneville!
This unique property offers a versatile floor plan with spacious main-level living, additional upper-level living quarters with a separate exterior entrance, and a partially converted detached studio. Ideal for those needing extra room, extended family accommodations, or flexible living arrangements!
The main level features an exceptionally spacious primary suite with an ensuite bath offering double vanities, a walk-in shower, soaking tub, walk-in closet, and adjoining bonus/laundry room. Additional spaces include a kitchen with granite countertops and distressed cabinetry, dining room, informal living room, mud/laundry room, and an exceptionally spacious living room/den with potential to be converted into a second main-level bedroom.
Upstairs offers two bedrooms (currently connected by an interior doorway), a secondary kitchen area equipped with a small electric cooktop, sink, countertop, cabinetry, and space for a refrigerator, along with a living room, full bathroom, and exterior access with a balcony and terrace. The upper level is currently connected to the main level by an interior staircase, providing flexibility for extended family or guests.
A large detached building behind the home has been partially converted into a studio-style space, with water, sewer, and electricity already connected. A permanent heating and cooling system and any additional improvements required for residential occupancy would need to be completed.
Outside, you'll find a covered front porch, spacious back patio with an outdoor fireplace, attractive landscaping, detached two-car garage, and an additional shed/chicken coop. The home has received several updates, including a new heat pump in 2026. Previous listings also indicate a newer metal roof and updated wiring and plumbing.
Conveniently located in Greeneville, the property offers a beautiful setting with easy access to local amenities. Some noise from a nearby industrial facility may be noticeable.
With its generous living spaces and adaptable layout, this home offers plenty of options for a variety of living arrangements.
