Description

Less yard work, less upkeep, and a lot more time for the things you actually enjoy. That's the whole idea behind 102 Creed Way, a one-level brick end unit in Towne View Condominiums in New Tazewell, Tennessee. Here's what I love about it: you get real space without the chores of a house. There are 2 bedrooms, 2 full baths, and an attached two-car garage big enough for both cars plus your tools and holiday bins. Pull in, close the door, and carry the groceries straight inside, rain or shine.

The living room is where you'll spend your evenings. It stretches more than 25 feet, so the big sectional fits, the reading chair fits, and there's still room to have people over. Light the corner fireplace on a cold night and it feels like home fast. Right off the living room, the sunroom has windows on three sides, and I'd bet it becomes your favorite room. Coffee in the morning, a home office during the day, a good book in the afternoon. The kitchen is a true eat-in kitchen, about 15 by 15, with a sunny bay window by the table, lots of oak cabinets, a pantry, and a pass-through so whoever is cooking can still join the conversation. The primary bedroom is nearly 15 by 15 with a walk-in closet and its own bath, and the second bedroom sits next to a full bath for guests. Laundry is inside, not out in the garage.

Out back, the patio has a brick privacy wall and looks out over open green space you don't have to mow. Being the end unit means fewer shared walls and a little extra yard on the side. The roof was replaced in 2023, and HOA dues are $180 a month. So who is this for? Someone ready to downsize without feeling cramped. A first-time buyer who wants a garage and a fireplace. LMU faculty, staff, or grad students who want an easy drive up Highway 25E to Harrogate. Shopping, restaurants, and errands in New Tazewell and Tazewell are minutes away, and Norris Lake is close for weekends.

Simpler living, plenty of room, and your Saturdays back. Virtual staging utilized on some of the photos.
