Description

Welcome home to 141 East Central Road in Bristol, Tennessee! This spacious brick beauty delivers more than 1,800 square feet of thoughtfully remodeled living space with 4 bedrooms

and 3 full bathrooms--all conveniently located on the main level. Need flexibility? The private in-law suite with its own entrance is perfect for multigenerational living, overnight guests, or a quiet home office. The primary bathroom even features a therapeutic microbubble tub, turning everyday routines into a spa-like escape.
Inside you'll find an updated kitchen, refreshed living areas, new flooring throughout, and a main living room centered around a fireplace with a wood-burning stove insert--cozy nights sorted.
Step outside to a back deck overlooking the fully fenced backyard on a usable 0.36-acre lot. There's room for kids, pets, gardening, entertaining, or simply soaking up the outdoors. A two-car carport and outbuilding provide extra parking and storage. Best of all, you enjoy county-only taxes while still being just minutes from Bristol's shopping, restaurants, schools, healthcare, and everyday amenities.
Downstairs, a large finished bonus room with a closet offers flexible space for a game room, home gym, media room, office, or private retreat. The walkout basement also includes more than 1,000 square feet of clean, dry unfinished space--ideal for storage, a workshop, or future expansion.
Major updates are already done for you, including a metal roof less than five years old, a brand-new heat pump (HVAC system), a new hot water heater, updated plumbing and wiring, a completely new septic system, updated windows, and a well-maintained structure. Those two big-ticket systems--new HVAC and new septic--mean fewer surprises and more peace of mind from day one.
With abundant space, smart updates, a fenced yard, flexible living options, and a convenient Bristol location, 141 East Central Road is ready to welcome you home!
