Description

Move-in ready with character to spare, plus the oversized 2 car garage you've been looking for. This one-level 2 bed / 1 bath home pairs original charm with the updates that matter, including updated electrical, stainless appliances, and a

freshly painted bathroom. The garage gives you room for vehicles plus storage or a workshop, and the shed beside it adds even more space. Outside, the oversized, level lot offers a yard that's hard to find this close to town. Relax on the front porch or the new back deck overlooking the yard. The bonus room off the kitchen works as a laundry/mudroom and is currently set up as an office and plant room, so it can fit however you need it. Minutes from downtown Bristol and close to Hard Rock Casino, the hospital, shopping, and the interstate.
