Inside, you'll find an inviting living room, a functional kitchen and dining area, and the convenience of single-level living. The kitchen features a built-in wall oven, cooktop, and refrigerator, offering a practical space for everyday living. Washer and dryer hookups were relocated inside the home in 2023, adding to the functionality of the floor plan.

Just off the attached carport, an unfinished utility room provides additional storage space and houses the water heater.

Step outside to discover one of this property's standout features--a generously sized, fenced backyard! Whether you're entertaining guests, enjoying evenings on the patio, or simply relaxing outdoors, there's plenty of room to make the space your own. The property also offers additional parking space suitable for a camper or recreational vehicle.

A detached outbuilding provides additional storage and offers possibilities for a workshop, hobby space, or a place to keep outdoor equipment.

With classic brick construction, convenient one-level living, and an expansive outdoor space, this home offers a wonderful combination of charm, functionality, and potential. Schedule your private showing today!
