Description

Looking for New? We've Got It for You!

Your safe place to fall is waiting! Come home to this beautifully renovated 3-bedroom, 1-bath home, where the old has been replaced with the NEW! Relax knowing that so much of the work has already been done, leaving only your personal decorative touches to make it truly yours.

And we're not talking about simply painting over the old! This home boasts an impressive list of BRAND-NEW replacements, including a new roof, windows, heat pumps, guttering, downspouts, and a freshly paved driveway!

Step inside to discover brand-new flooring, light fixtures, electrical outlets and receptacles, interior doors, baseboards throughout, and window trim. Beautiful new wood crown molding adds a special finishing touch to the living room.

The kitchen features brand-new countertops, cabinet pulls, backsplash, sink, faucet, and plumbing. The bathroom offers a new vanity, toilet, and plumbing. New front and rear exterior doors, fresh exterior paint, and landscaping complete this extensive transformation.

The full-size unfinished basement provides plenty of storage, room for a workshop, and the convenience of an additional toilet.

And let's talk about that backyard! Spacious and gently sloping, it's just waiting for summertime slip-and-slide fun, birthday celebrations, backyard gatherings, or a good old-fashioned sled ride when the snow falls! The manageable slope makes walking and mowing easy, too.

Looking for new? We've got it for you! Three bedrooms, one full bath, an additional basement toilet, and a whole lot of NEW! Come home, relax, and find your safe place to fall. All that's missing is your personal touch to make it YOURS!
