Description

Country living at its finest - ready for the holidays with this oversized kitchen ideal for entertaining.... AND close to town for all the things! Home sits on 1-acre lot, fenced and wooded in back. The larger front porch has a swing to sit and sip your morning coffee as you watch beautiful sunrises over the Appalachian mountains... Or spend time on the private deck just off the double-sized master bedroom. The main level also has a huge deck in back. This home features 3 bedrooms, 3 bathrooms, an open concept living room/kitchen/den, two double-sized bedrooms upstairs that share a bathroom with a garden tub, separate walk-in shower and beautiful tile floors. Some floors have been redone for you already. Need lots of cabinet storage? This kitchen features tons of cabinets and a coffee nook. A walk-in pantry provides even more storage options. Home has a water filtration system as well. Two heat pumps to make sure the entire house is always

comfortable. Living room has a cozy fireplace with beautiful tile. Want to house hack? This home has a partially finished basement with a small kitchen and appliances, plus an extra room with closet in the basement can easily be made into a 4th bedroom. The 3rd full bath is just next to it. There is also an unfinished basement section with tons of space for additional storage and lawn equipment, and washer/dryer hookups. Main level has a bedroom and full bathroom. You have to see this house to appreciate the many features. She shed with power is cute as a dollhouse for her. Detached 2 car garage did him!

Convenient horseshoe driveway for multiple vehicles and toys

Come see it today! With the views and front porch, this home won't last long!
