## Description

Turn into the drive at 239 Jim Town Rd, and the quiet finds you. Out on the front porch, the day slows down, and while downtown Jonesborough is only five minutes away, it feels like you've been tucked away somewhere that belongs to you.

Inside the living room a stone landing is ready for a wood-burning stove and a couple of cozy chairs. It's the spot where winter evenings and slow Saturday mornings are meant to happen.

The home has been fully renovated, so the hard part is already done. Some of the new big ticket items include the NEW 40-year metal roof, NEW HVAC, NEW electrical panel with upgraded AFCI/GFCI breakers for added safety, and NEW hot water heater.

Every update you could want has been completed. The renovated kitchen has NEW appliances. The bathrooms have been refreshed. NEW flooring runs throughout, along with fresh paint, NEW light fixtures, interior doors, and too many smaller touches to list. Nothing is left on the to-do list but making it yours.

The garage has a large back room that's perfect for a workshop, and the unfinished basement, with its concrete floor, offers plenty of storage for tools, gear, and projects.

Country calm, a move-in-ready renovation, and five minutes from downtown rarely come in the same package.

This home is priced $24,000 under a recent broker's price opinion to move quickly. It will not last long. Buyer/buyer's agent to verify all information herein.
