Description

Are you looking for a freshly updated, beautifully refined, move-in-ready home with a spacious lot and room for future possibilities? If so, you are going to love 56 Jessee Street! This inviting property combines classic charm with thoughtful modern updates, offering a comfortable home, a generously sized 0.59-acre lot, ample storage, covered parking, and

plenty of flexibility for the next owner.

From the moment you arrive, you'll appreciate the home's fresh exterior updates and inviting curb appeal. The house and utility/storage building feature a brand-new architectural shingle roof, providing a beautiful refreshed appearance. The home has also received a complete exterior paint refresh, creating a crisp and cohesive look. New exterior doors and hardware at both the front entrance and carport entrance add another layer of style and functionality, while new exterior light fixtures and landscaping complete the welcoming first impression.

The carport provides convenient covered parking and additional sheltered space, offering an added level of practicality for everyday living.

Step inside and discover an interior that has been thoughtfully refreshed from top to bottom. The home features new flooring throughout along with a complete interior paint makeover on the main floor and basement, creating a clean, bright, and inviting atmosphere. The fresh finishes provide a neutral backdrop that allows the next homeowner to easily make the space their own.

The updated kitchen is sure to catch your attention with new matte-finish granite countertops, a new faucet, updated cabinet hardware, a new cooktop, and microwave. These improvements combine functionality with timeless style and give the kitchen a polished, refreshed feel. New light fixtures throughout the home add even more brightness and modern appeal.

The bathroom has also received a beautiful refresh, featuring new floor tile, vanity, toilet, and fixtures. Throughout the home, new interior door hardware provides those finishing details that help bring the entire renovation together.

One of the property's most versatile features is the unfinished basement. In addition to providing valuable additional storage space, the basement offers exciting potential for a future owner. Depending on your needs and plans, the space could provide an opportunity for a future finished basement, recreation room, home office, hobby area, workshop, or additional living space, subject to buyer plans and applicable requirements. Whether you need room for seasonal items and household storage today or envision creating something more down the road, the basement provides flexibility that is hard to overlook.

Outside, the 0.59-acre lot provides an abundance of space and opportunity. The generously sized property gives you room to enjoy the outdoors, garden, entertain, create recreational areas, or simply appreciate having more breathing room around your home. A detached storage building/utility building in the yard provides even more valuable storage for lawn equipment, tools, outdoor gear, seasonal decorations, hobbies, and household belongings.

With its updated interior, updated kitchen, new flooring, fresh paint, renovated bathroom finishes, new lighting, new roof, refreshed exterior, spacious 0.59-acre lot, carport, storage building, and unfinished basement, 56 Jessee Street offers an appealing combination of move-in-ready improvements and future potential.

Whether you're searching for a beautifully updated home, a property with a large lot, extra storage, covered parking, or a home with room to make it your own, this one deserves a closer look.

Thoughtfully renewed inside and out, 56 Jessee Street is ready for its next chapter. Come see the updates, explore the space, and imagine yourself calling this welcoming property home!
