Description

If you are looking for a home with lots of space and gorgeous mountain views, then this is the place for you. Home is tastefully done with luxury vinyl plank throughout, 3 bedrooms, 3 full baths, and an office that could easily be used as a 4th bedroom. The kitchen has granite counters, tile backsplash, and plenty of style. The primary suite includes a walk-in tiled shower, large walk-in closet, and its own laundry hookup right inside the closet (or use the second laundry space downstairs). The basement is a huge flex space and could easily become a separate living area or in-law suite with space to add a second kitchen if you want. Conveniently located between Greeneville and Johnson City and offers a great mix of space, style, and views. Buyer/buyers agent to verify all. All info taken from seller/CRS tax record.
