Description

Situated on 3 acres bordering the Cherokee National Forest, this beautiful custom built home offers exceptional craftsmanship, spacious living areas, and a private mountain setting with convenient access to Erwin and Johnson City.

The home features 3 bedrooms, 2.5 bathrooms, and a spacious upstairs bonus room. Inside, soaring vaulted wood ceilings, Amish crafted arched timber beams, beautiful hardwood floors, mahogany doors, and rich wood finishes showcase the attention to detail throughout. The impressive great room features a large arched window overlooking the

backyard and patio, a natural gas fireplace, and an open layout that flows into the kitchen and dining areas. The spacious kitchen offers granite countertops, a large center island, a six-burner KitchenAid range with a custom stone surround, and abundant cabinet and counter space. A formal dining area provides additional room for gatherings.

The primary suite features a tray ceiling, a spacious walk-in closet with built-in storage, and a private bath complete with dual vanities, a tiled walk-in shower, and a walk-in tub.

Outside, the beautifully landscaped grounds offer multiple spaces to relax and entertain, including a screened porch, covered gazebo, stone patio, and stone fire pit. A waterfall feature adds to the setting, while walking trails on the property provide access to the Cherokee National Forest.

The property also includes a spacious attached three car garage, a detached one car garage with storage, a workshop shed, and an 8x16 foot cabin tucked among the trees. A rooftop solar panel system adds to the home's energy-efficient features, and fiber-optic internet provides modern connectivity in this private mountain setting.
