Description

Over 3100sqft of endless possibilities eagerly await your vision!!! Roll up your sleeves and let those creative juices flow into this historic 1920 Coal Camp house!!!

Inside you'll find an abundance of character from classic wood trim to bougee ceiling tiles, and hardwood floors that run throughout most of the home. Clawfoot tubs are present in 2 of the 3 bathrooms. All rooms are large with high ceilings, which in its own right adds touch of majesty to the home. There are 5 bedrooms upstairs, with a possible 6th bedroom downstairs. The kitchen offers a lot of cabinet and counter space, with a wealth of room to expand.

Outside you'll find a large covered porch that encases most of the home. It is prime sitting, to enjoy the views of mountains and mature trees. There is storage underneath the home, as well as, a cellar behind.

There is so much to this place, that words won't do it justice. With a little bit of work, this place could be restored to its prominent former glory.
