Description

INVESTMENT OPPORTUNITY! Well-established 18-pad mobile home park offering steady income with low owner maintenance. Currently, 14 of the 18 pads are occupied at $200 per month on month-to-month rentals, with tenants owning their mobile homes. Each unit is separately metered, and tenants are responsible for their own utilities. The property has 17 septic systems, with Lots 1 and 3 sharing one system. If septic pumping is required, the cost is split 50/50 between the owner and tenant. Only one septic system has required pumping within the past year. A site manager handles mowing and general property maintenance for $200 per month, making this an attractive opportunity for an investor looking for relatively hands-off income. Owner expenses include property taxes, insurance, site management, and the owner's portion of septic pumping when needed. With all 18 pads occupied at the current rental rate, projected gross income is approximately $38,549 annually. Four currently vacant pads provide additional income and growth potential. Conveniently located just minutes from Bluefield, VA/WV and Tazewell, VA. A great opportunity to add an established, income-producing mobile home park with tenant-owned homes and low maintenance requirements to your investment portfolio. Serious investors--don't miss this opportunity!
