Description

Enjoy the peaceful feel of country living while still being conveniently located within the city limits! Situated on a total of 1.92 acres, including an additional lot that provides extra space and privacy from neighboring properties, this charming home offers a setting that is truly hard to find!

Inside, you'll find a comfortable and inviting layout with plenty of possibilities. Just off the kitchen is a spacious dining room complete with a closet, offering the flexibility to easily serve as an additional bedroom, home office, or whatever best suits your needs.

Outside, the property has even more to offer! A detached garage provides additional parking, storage, or workshop space, while the pergola and seating area behind the home create a wonderful spot to relax, entertain, or simply enjoy the peaceful surroundings.

One of the most special features of this property is the history behind the additional lot. The owners fondly recall their childhood days when the land was used as a horse pasture and a large family garden. That same open space offers endless possibilities for future owners, whether you dream of growing your own garden, creating an outdoor retreat, or simply enjoying the extra room to spread out.

With its beautiful setting, generous acreage, versatile living spaces, and convenient city location, this property offers a rare combination of country charm and everyday convenience. Come see all the possibilities this special property has to offer!
