Description

Absolutely darling little retreat in the outskirts of Johnson City! This 1 room, 1 bath tiny home sits on .75 acres and was built in 2023. The property also includes a paved carport and a gazebo with hot tub and an outdoor sitting area. This home comes furnished and would make a fantastic Airbnb, a weekend getaway or even a comfortable home for those

who do not need much space. The home is 192 SF and includes butcher block countertops, a small 2 burner electric cooktop and air fryer/oven plus a refrigerator. The home has an electric fireplace for heating and a window unit for cooling. The water heater is tankless and is propane with a 5 gallon tank included. The roof is metal! There is a washer and dryer hookup on the partially screened and covered porch and the home includes loft storage. The home can not be traditionally financed (cash only) and the seller is not able to do owner financing. There is a 1 bedroom septic system (see septic permit info attached) and it is on city water. Do not miss your opportunity to make this darling place your own!
