Description

CRAFTSMAN CHARM MEETS MODERN LIVING! This stunning new-construction home offers exceptional style, thoughtful design, and an abundance of living space and is part of the desirable Glen Abbey Subdivision in the Boones Creek Community without the added burden of HOA fees. From the moment you arrive, the beautiful Craftsman-inspired exterior and side-entry garage set this home apart.

Inside, the main level features a bright, open layout highlighted by soaring cathedral ceilings in the living room and nine-foot ceilings throughout the remainder of the first floor. The impressive kitchen is truly the heart of the home, featuring a massive island, elegant quart countertops, crisp shaker style cabinets with 42" uppers, a four-piece stainless appliance package, and an oversized walk-in pantry complete with an abundance of additional cabinetry topped off with butcher block countertops. It's a dream space for both everyday living and entertaining. And don't get me started on the incredible laundry room that's conveniently located on the main floor.

The spacious primary suite offers a tray ceiling, luxurious tiled walk-in shower, and an exceptionally large walk-in closet with plenty of room to organize and store everything you need. Two additional bedrooms and a second full bathroom complete the main level.

The finished lower level adds even more versatility with a huge den, additional full bathroom, a kitchenette, and an additional garage space for incredible storage or a workshop. Whether used as a guest suite, entertaining area, recreation space, or a separate living area, the basement provides possibilities rarely found in new construction.

Outside, enjoy the covered rear porch and beautiful surroundings - a perfect place to unwind or entertain. With its unsurpassed character, exceptional kitchen, luxurious primary suite, finished basement, and a main level two-car garage, this home delivers an impressive combination of beauty, functionality, and space that's ready for its new owner. All of this comes with the peace of mind of having a one-year builder's warranty.
