Description

If you've been looking for a home in Morristown where you can spread out, enjoy a little privacy, and still be close to everything in town, 1712 Oak Street deserves a look!
This all brick ranch offers approximately2198 square feet of living space, three bedrooms, two bathrooms, and something you don't find every day inside the city limits: nearly an acre of land spread across two lots.

One of the best things about this home is how much room you have to live. The spacious living room has large windows that bring in natural light, while the separate family room features a brick fireplace, built in shelving, and plenty of space for everyone to gather. The kitchen has a large island, generous cabinet space, and room to cook, entertain, or simply catch up at the end of the day.

The primary bedroom has its own private bathroom with a jetted soaking tub, separate shower, and plenty of closet space. Two additional bedrooms offer flexibility for guests, a home office, or whatever fits your lifestyle. And here's something you might not expect! There's a dedicated media room with a projector, large screen, and built in speakers. Imagine movie nights, watching football with friends, or having your own space to unwind.

Outside, the possibilities are just as appealing. With approximately 0.95 acres, there's room for gardening, outdoor entertaining, pets, or simply enjoying your backyard. The detached two car garage provides space for vehicles, hobbies, or a workshop, and two additional storage buildings give you even more room for your tools and equipment.

The home has plenty of character, hardwood floors, and a layout that gives everyone their own space. Some cosmetic updates would allow you to put your personal touch on it without starting from scratch. Located on Oak Street in Morristown, you're close to shopping, restaurants, schools, medical facilities, and everyday conveniences while enjoying the space of a much larger property. If you've been wanting a single level home with room to spread out, a big yard, and the opportunity to make it your own, this one is worth seeing in person!
