Description

Welcome to Dancin' Hills Cottage-the place where you want to put your feet up, sip some iced tea and read a book! This adorable cottage is a wonderful place for investors (think Airbnb income) or permanent living. Upon entering you notice

the cozy atmosphere that accommodates a spacious living area and kitchen with a lovely dining area. The primary suite is also spacious and has an en suite bath with a laundry closet, making laundry a breeze. There's two other spacious bedrooms, a large hall bathroom and back enclosed porch for storage or hobbies. All the work has been done for you as the owner has made substantial updates to the property-new heat pump & metal roof, newly painted exterior siding, shutters, all exterior doors & garage, and installed new porch decking, posts and rails. In addition, the primary bath was remodeled, a second full bath with stand-up shower was added, and flooring in the bedrooms, both bathrooms and hallway was installed. The kitchen was updated with new: countertops, farmhouse sink and faucets, backsplash and appliances. In addition, there's a detached garage for car storage or use the space as a workshop. Rounding out this picturesque property is a floored attic (a great place for decorations or to increase finished square feet), nice yard, with room for a garden, and beautiful views across the road of rolling hills and morning sunrises. Most of the furniture and items in the home are for sale, so creating a furnished rental would be easy. Or if you're so inclined, purchase the furniture for your own use. Dancin' Hill Cottage...a charming place to be!
