Country quiet on 7.83 acres along Taylor Bridge Road, with downtown Jonesborough, Tennessee's oldest town, an easy drive away. This 1995 home has about 2,530 square feet with 3 bedrooms and 2 bathrooms, and a new copper roof that

went on just a few months ago. The kitchen and primary bath have both been updated, and the whole house has been cleaned, touched up and readied for its next owner. Step out back to the deck for morning coffee with plenty of land around you, and fresh mulch in the beds out front. If you need room for cars, hobbies or a business, there's a three-car detached garage with a finished space inside, plus a separate workshop building.
