Description

Charming, meticulously maintained 3 bed, 2 bath home in Dandridge -- and this one is truly ready for its next owner.

With 1,408 sq ft and a smart split-bedroom plan, the primary suite feels private and tucked away from the other two bedrooms. Hardwood floors flow through the living spaces, keeping it warm and easy to keep clean.

You'll love the covered front porch for morning coffee and the open deck off the back for grilling and gathering. Inside is bright, comfortable, and move-in ready.

Outside, you get all the space you need -- a 2-car attached garage, paved driveway, plus a detached pole barn / shop area with extra sheds for storage, a workshop, or all your outdoor gear. Perfect for anyone who wants room to work and play without giving up a convenient location.

Close to Douglas Lake, downtown Dandridge, shopping, and I-40 -- you get small-town quiet with everything still close by.
